<b>EROSION CONTROL</b>		
Silt fence, installation and removal	lf	
Street sweeping/cleaning	hr	
<b>EARTHWORK &amp; EXCAVATION</b>		
Excavation, bulk cut/fill	cy	
Excavation and export, unsuitable including haul.	cy	
Excavation and export, suitable including haul.	cy	
Excavation, Building structure.	cy	
Excavation, Utility structure	cy	
Cut and place fill onsite. (Less than 1000 cy)	cy	
Cut and place fill onsite. (Greater than 1000 cy)	cy	
Import and place structural fill	tn	
Import and place aggregate base.	tn	
Import and place pea gravel.	tn	
Import select backfill for trench	tn	
Geotextile fabric, furnish and install	sy	
Stabilized soil, Lime treated	sy	
Stabilized soil, Cement treated	sy	
Shoring for excavation	sf	
<b>RETAINING AND SCREEN WALLS</b>		
Footing for retaining/screen wall	lf	
CMU retaining/screen wall	sf	
Concrete retaining/screen wall	sf	
Modular block retaining wall	sf	
Keystone retaining wall	sf	
Rockery	sf	
<b>UTILITIES</b>		
<b>SANITARY SEWER</b>		
Sanitary sewer, pipe ___ inch diameter	lf	
Sanitary sewer, pipe ___ inch diameter		
Sanitary sewer, manhole	ea	
Sanitary sewer, cleanout	ea	
Sanitary sewer, connection to existing system (including restoration).	ea	
Sanitary sewer force main.	lf	
Pump station, complete.	ls	
<b>STORM DRAINAGE</b>		
Storm pipe ___" diameter, installed including excavation & backfill w/native.	lf	
Storm pipe ___" diameter, installed including excavation & backfill w/native.	lf	
Storm pipe ___" diameter, installed including excavation & backfill w/native.	lf	
Storm pipe ___" diameter, installed including excavation & backfill w/native.	lf	
Storm pipe ___" diameter, installed including excavation & backfill w/native.	lf	
Storm pipe ___" diameter, installed including excavation & backfill w/native.	lf	
Storm water detention vault, excluding excavation and backfill	cf	
Storm filter - ___ cartridges	ea	
Storm filter - ___ cartridges	ea	
Catch Basin, installed	ea	
Storm drain manhole, installed	ea
