Separate sealed BIDS for the construction of (briefly describe nature, scope, and major elements of the work)

~~The Work of Project is defined by the Contract Documents and consists of major renovations to the Glen Oaks Community College facility, specifically in the B and D Halls. The renovations include new exterior cladding consisting of masonry wainscot, metal studs, insulated metal panels, and new glazing systems. Interior renovations range from a complete reconstruction with new layout of the athletic locker spaces to minor finish upgrades. Scope of work includes minor excavations, masonry, concrete, metal stud framing, roofing, glazing systems, doors and openings, mechanical systems, electrical systems, plumbing, equipment replacement, ceilings, and finish trades. Minor modifications to the fire alarm and the partial fire sprinkler system are required.~~

will be received by Glen Oaks Community College

at the office of the President at Glen Oaks Community College

until 9:00am, (Local Time) Thursday, June 13, 20 24, and then at said office publicly opened and read aloud.

The CONTRACT DOCUMENTS may be examined at the following locations:
