

ADDENDUM 2

MADISON COUNTY INDIANA GEETING DRAIN IMPROVEMENTS

CLARIFICATION

1. Contractors should reference the pipe section details on diagrams provided in Appendix A, Pipe Section Details for information on pipe diameter, lengths, etc. The map included in Appendix B, Manhole Numbers is just for the manhole numbering and context. Appendix B should NOT be used for pipe size information.

SUBSTITUTION REQUEST

2. SAERTEX UVCIPP is an approved “equal.” Any approved substitution must still meet or exceed all the requirements of the initial specification.
