4. Mike Hamilton, Principal, **MARTINRILEY architects•engineers**
 - a. Office: 260-422-7994
 - b. Cell: 260-223-9014
 - c. Email: mhamilton@martin-riley.com

II. Scope of Work:

The project include the removal and replacement of 2-ply MBR at Roof Area <1> with new 2-ply MBR.

III. Unit Prices

1. Unit Prices are specific to this project and are included on the Contractor's Bid Supplement to Form 96.

IV. Timeline

1. Address all questions to **MARTINRILEY** by **5pm Friday, July 31, 2026**, in order to fairly disseminate all information to all bidders in the Addendum date of issuance of **Monday, August 3, 2026**. **Be certain all questions have been asked, as the submission of bids by the contractor suggests there are no questions regarding ambiguity and are**

submitting bids that will result in a complete project. Failure to do so will result in contractor's compliance with the Owner or Architects interpretation, at no contract increase.

2. Bids are due at the Office of the Director of the Physical Plant, Rm. 103, Ginsberg Hall, on the PFW North Campus located at 5190 St. Joe Rd., Fort Wayne, IN 46835 at the following dates/times.
 - a. Bids are Due at **11:00am, Thursday, August 6th, 2026**
3. Bids will be opened and read immediately after submission of proposals at Physical Plant, Rm. 114, Ginsberg Hall, on the PFW North Campus located at 5190 St. Joe Rd., Fort Wayne, IN 46835.
4. It is the intent of the owner to have work start after **following award of work and execution of AIA A101, Owner – Contractor Agreement Form** and have work completed prior to **November 20, 2026**.
 - a. Pre-Construction Conference to be scheduled **(2) weeks prior** to Commencement of Construction.
 - b. Commencement of Construction Date is **August 14, 2026**.
 1. Contractor to confirm material lead times will not cause project overrun.
 - c. Substantial Completion Date is **November 13, 2026**.

V. General Items

1. Bidders may obtain bidding documents from:
 - a. **Eastern Engineering**, 1239 N Wells St, Fort Wayne, IN 46808.
2. The Owner reserves the right to accept or reject any and all bids and to waive any informalities in bidding.
3. Questions relating to the project should be emailed/directed to **Paul Konwinski**, at the office of **MARTINRILEY architects-engineers**.
 - Email: pkonwinski@martin-riley.com
4. It is the Contractor's responsibility to assure that they or their subcontractors visit each project and verify existing conditions prior to the date of bid. Contractors will be required to sign in at the main office prior to the site visit. The buildings will be open to Contractor's for field investigation after the following times:

VI. Project Requirements

1. All bids shall be accompanied by the following completed documents:
 - a. Form 96 (Current Edition) as prescribed by Indiana State Board of Accounts
 - b. Standard Questionnaire and Financial Statement for Bidders (Form 96A)
 - c. Combination Bid Bond & Bond for Construction
 - d. Principal Subcontractor Questionnaire
 - e. Minority Business Enterprise Program Forms
 - f. Roofing Contractor's Manufacturer's Certification
 - g. Roofing Contractor's Installer's Certification
 - h. List of Subcontractors (if any) and Material Questionnaire
 - i. Non-Collusion Affidavit
 - j. Contractor's Written Drug Testing Program
 - k. Compliance with Owner's Safety Requirements

2. Abide by rules and regulations on each project site identified in the project manual.
3. A **Pre-construction Conference**, to be held at the jobsite and scheduled 2-weeks in advance of the start of work, is a requirement for the successful bidder.
 - a. Contractor designated parking will be at a location identified at this meeting.
 - b. Staging locations will be determined at this meeting.
 - c. Port-o-let to be determined, if necessary.
 1. Owner may provide interior restroom provisions for this purpose.
4. Prior to the start of work, the successful bidder is to provide the Architect, for review and approval, shop drawings and data sheets for all products/materials to be utilized on this project – Shop drawing submittal procedures are clearly identified in the project manual.
 - a. Standing-Seam Metal Panel Roof, DMI Metals
5. The successful Contractor shall comply with all OSHA Construction Standards & Regulations (29 CFR 1926).
6. Insurance guidelines are outlined in the project manual – AIA Document A101 – 2017 Exhibit A – Insurance and Bonds.
7. Refer to Payment Procedures in the project manual for all application for payment requirements.
8. Any damage to a building or site incurred due to the roofing operations are the responsibility of the Contractor to repair back to the original condition.

VII. Other Requirements

1. Refer to section 01 7000 - Closeout Procedures for submission for final application for payment with release and supporting documentation. As part of these closeout procedures the contractor is responsible for generating a punch list and submit it to the architect prior to **MARTINRILEY** generating a punch list.
2. Smoking is not permitted on any PFW properties, including electronic vapor, or smokeless tobacco.
3. It will be the Contractor's responsibility to photograph or videotape any existing conditions of adjoining construction and site improvements that might be misconstrued as damage caused by selective demolition operations.
4. It will be the Contractor's responsibility to provide temporary barricades and/or forms of protection to protect Owner's personnel and general public from injury due to selective demolition work.
5. Contractor is also responsible for daily interior inspections to verify the presence of water infiltration (if any), need for interior clean-up.
6. It shall be the responsibility of the Contractor to verify the presence and location of latent buried objects within a roofing system. Contractor shall repair any damage to buried elements as a result of the removal operations at the cost of the Owner. Any succeeding occurrences of identical events shall be the responsibility of the Contractor to repair at his own cost.

7. Electrical equipment affected by project scope shall be completed by the Contractor with electrical disconnect and reconnect performed by qualified personnel.
 - a. *Raised platform area / equipment* – Coordination necessary with Owner

VIII. Review Drawings

1. Drawings for Project
2. Bid project per drawings, specifications, and addendum(s). Contractors will be held accountable to the bidding documents.
